

# Kids Power Wheels Derby

Box Butte County Fair

August 12, 2018

(Between derby heats)

Each age group will run a heat of no less than five minutes. After the heat the kids will race from one end of the arena to the other to determine the winner. First place for each heat will receive a trophy. If we can get enough participation, next year we will be able to get more prizes for the kids. Other Power Wheel Derby's have used balloons, but we have heard that doesn't always work especially with the size difference in the power wheels. However, if you want to tie balloons to the rear bumper and to the tires to give a crash or a blown tire sound affect you are more than welcome to do so. If you would like to tie a balloon or a water balloon to the front of the power wheel to simulate a radar hose break you are also welcome to do so.

You can bring the entry form with you to the derby. After the last slop heat we will call for the Power Wheel Derby Participates to line up. I would like it if you would please text me the name and age group of your child beforehand so we can get a feel of how many participants we will have. 308.763.1765
